

# Nursery's Blog

WC 24<sup>th</sup> March 2025

We are having lots of animal adventures in nursery this week! Our focus text is a story called Jungle Jamboree. It has definitely been one of our favourites of the year!

We have had lots of chance to use our skills to make beautiful animal pictures. We have added stripes to zebras using our coloured pencils, added spots to leopards using pom poms in paint, made feathery lions with play dough and painted a hippopotamus.

We are getting very good at writing our names now in nursery. We use our name cards to help us to remember the letters we need and make sure that we write in the right direction, left to right. The Read, Write Inc rhymes help us to remember how to form each letter.

This half term we have also been learning lots about being healthy! Ask us about healthy foods 😊

Enjoying story time outside 😊
